WANT A FASTER ADMISSION DECISION?

Self-reporting of High School coursework is available for students.

Would you like to enter your high school grades for the courses that are required for university admissions? This will result in a quicker admissions decision. The grades you report must be accurate, so we encourage you to **use a copy of your high school transcripts** to complete this section.

If you choose to enter your high school grades, please also include any dual-enrollment courses you may have taken. You are considered dual enrolled if you are currently enrolled in or have previously attended a college or university while in high school.

☐ Yes — I would like to accurately report my grades to find out sooner if I am admitted to ASU.

☒ No — I will request my high school send my transcripts to ASU and wait until they are received to find out if I am admitted.
